

FOR THE COMMON GOOD: Julie Cheetham, Director of the Grootbos Foundation, recently addressed the Rotary Club of Hermanus at one of its weekly meetings. Members learnt about their hugely successful Football Foundation, the projects and training programmes run by Green Futures, the initiatives run at the Siyakhula Organic Farm and the vast number of individuals that have benefited from these ventures. In the picture: Cheetham with Rotarian Johan Augustyn (left) and Ian Wallace, another Rotarian.
